Christmas blessings to you from Chavez Family

Glory to God for all the blessings he has given us this year, knowing that we are only willing instruments in His hands, and we could not have done anything without God’s provisions through your faithful support and prayers. Our year in Mexico ends with a wonderful Christmas program; December 20th, it has been worth it all to see 7 first time visitors come and **two of these ladies got saved! Praise be to God!** So grateful for the prayers, the laborers and our family whom God is working through to reach the people here in Queretaro. Our family is excited to share the news of our first grandchild due in June 2016. Nathan and Allison visited us in October and gave us the best gift in announcing they have been blessed with a baby on the way. God is so good to us. Our family is growing again. Pray for our son Daniel while he serves in the U.S. Military . Our children are adjusting quickly and learning Spanish. God bless you with a joyous Christmas, and blessed New Year. Thank you for helping us to serve.

Serving by God’s Grace,
